

Feelin' Frosty

On December 1st we held our 1st *Feelin' Frosty* musical show featuring The Chester Brass Band with special guests Laura Smith and Morgan MacDonald. Bonny Lea Farm employees, Peter Parsons and Lori Davis also performed. The evening was anything but frosty with warm seasonal temperatures and lots of energy inside made for a heartwarming evening.

Thanks again to our sponsors and to the very talented performers and especially our loyal patrons who helped make the event a great evening. Volunteer Roberta Boutilier wowed us with her great decorating of the gym and stage area. It was picture perfect.

Thanks for coming in support of our charitable organization.
