

Bonny Lea Farm Annual Lobster Supper 2014

Sunday, August 3rd marked our 26th year of hosting our Annual Lobster Supper. As always the day was lots of work but lots of fun too. Our team of volunteers and staff made the day go very smoothly. The weather cooperated too without it being too hot, humid or cold. The sun even made a brief appearance.

This event requires months of preparation and that is why when you get here your experience is a most positive one. Of course we could not pull this off without the help and support of the community. Thank you to our sponsors:
