**TEAM BONNY LEA FARM!**

**Get Your Running or Walking Shoes Ready!**

**Team Bonny Lea Farm Captain  
 Jewel March**

It is time already to begin training to enter the Charity Challenge which is a part of the Bluenose Marathon being held May 17th 2015 in Halifax.

This will be year # 3 for Bonny Lea Farm and each year the team has grown. We have set a goal of raising \$12,000! In 2014 we raised just over \$8,000. Don't miss out on this incredible experience and support of Bonny Lea Farm. Mark the date on your calendars today!

If you are not up for

the physical challenge, then enter the financial challenge with your generous donations.

We originally entered the challenge to promote health and general well-being, to feel a part of the community and to prove that we could do it, like the little engine that could. The participants enjoy the challenge and being a part of such a well run event. It is a great feeling when you cross the finish line!

Jewel is a great Team Captain and is organizing a "Kick Off" event on January 24th. Stay tuned for more details coming soon!

Ready, Set, Go!

May 17, 2015!
