A Swinging Good Time!

Bonny Lea Farm's Annual Golf Tournament teed off at 10 A.M. on September 7th with 36 teams playing on the picturesque Chester Golf Course. Thank you to **Jack Flemming** and his daughter **Colleen Fitzgerald**, her family and friends for organizing this event the past 22 years. It is a major fund raiser for our organization. **\$28,000** is an amazing result from the efforts of so many including the tournament's hole sponsors, prize sponsors, and our main sponsor **Scotiabank**. **Thank you to all for your support!**

Flying Refined!

Porter Airline's tag line is a throwback to the past when flying was a more refined experience. Originating from Toronto, Porter flies to specific destinations in Canada and parts of the United States.

We wish to thank them for granting us the opportunity to sell raffle tickets on two Porter vouchers. A special thank you goes out to Board member **Colin MacDonald** and his assistant **Pat Woodworth** for their recommendation to the airlines to support Bonny Lea, and for selling the most raffle tickets! \$3,600.00

In Memory of Jennifer

In loving memory of Jennifer Brown who passed away in December, her sister Anita kindly donated Jennifer's favourite rocking chair to be used by participants in our day program lounge. *"Jennifer would be so happy to know that her friends would be enjoying the chair as much as she did for several years."*

Anita and Jennifer's pal Rose seated in the beautiful chair.
