

A Lobster Lover's Feast

Sunday August 2nd was a spectacular day to hold our Feast! It was a bright sunny day with a gentle breeze. We had a total of 680 meals served to a "Sold Out" crowd! The entertainers were playing jazz, country rock and country, a little something to keep the atmosphere upbeat. Our 60 volunteers were incredible, many putting in long hours. We could not have managed without them. Of course our sponsors were vital to the event's success as this reduces our costs and increases our revenue opportunity. All tallies are not in, but we are aiming for this event to generate \$20,000. A reminder to all- **Next Year - Order Your Tickets in Advance to avoid disappointment!** Thanks to all you played a part in helping us to raise money for our participants who live and work at Bonny Lea Farm.
