### Feelin' Frosty Show Highlights

Thank you to our sponsors for making this event lots of fun for everyone! (Chester Pharmasave, Collins Barrow, Island View Family Restaurant & Bakery, Alma Homes & Campers, and The Village Emporium.) We also wish to thank Roberta Boutilier for her fantastic decoration of the entertainment area that matched our theme beautifully. Of course the show would not be a show without the talented performers. They donated their time for our benefit. A well deserved round of applause!

### Milestone Supporter

In addition to being a former long serving volunteer Board member, Anne Flinn has been a faithful supporter of Bonny Lea Farm for many years and continues to do so in a number of ways. She chooses Bonny Lea Farm when she wants to make a memoriam donation. Anne has also recruited a number of our board members over several years. She single handedly organized our outside tent for diners at the Lobster Dinner. Anne has been described as being a Fairy God Mother for all that she does for others.
