Greyson and Joanne began volunteering with Bonny Lea Farm in 2019, and were our nominees for volunteers of the year this year.

What started as a musical program offering drumming for participants once a week, evolved into an opportunity for socialization and making new friends.

Although the program is suspended due to Covid-19 and we miss having them here, they have kept in touch with participants through video visits & Christmas cheer.

Thank you for the joy you bring to participants!
